

## Welcome!

We are working to make your stay at Canary Beach Resort as safe and “normal” as possible during this time. Due to COVID-19, the following temporary changes have been implemented.

- **Lodge** – We have a new layout and a huge supply of new clothing for 2020! Our clothing is displayed, ask us for sizes as we have many size options. We love your business, but please leave 6 ft space between yourself and others. A maximum of **4 people** in the Lodge at one time. We can also deliver you any supplies you may need including bait, wood, ice, candy, food, etc.
- **Fish Cleaning House and Laundry** – Open by appointment to allow us to clean between guests.
- **Beach Chairs and Benches** – Staff will be sanitizing these daily. Sanitizing spray and rags are available to you under the kitchen sink.
- **Bedding** – Blankets and Comforters have been replaced with a bed Coverlet. If you need additional blankets, please call the lodge and we will deliver them to you.
- **Towels** – If you need more bath or kitchen towels, please call the lodge and we will exchange them for you.
- **Social Distancing** - While enjoying our Resort, please be aware of your surroundings and maintain at least 6 feet of distance between yourself and others.

We hope you all have a fun and relaxing time, creating many great Minnesota memories! If you have any question or concerns, please do not hesitate to ask!
